White Hats Report #66 – Benghazi, the REAL story

In [Uncategorized](https://whitehatsreport.com/category/uncategorized/) (<https://whitehatsreport.com/category/uncategorized/>), [WHR](https://whitehatsreport.com/category/whr/) (<https://whitehatsreport.com/category/whr/>) by Paladin / August 17, 2018

Often times, intel comes to us in various forms, requiring us to parse it, vet it, sort it, collate it, confirm it and then compose a release/report for public consumption. In this instance, the intel will be released as is for it needs no process as described above. Some of these facts were already known, others not, but now we have the full picture of what happened in Benghazi and why. It can only be described as another example of cabal skullduggery only this time the unauthorized, illegal op went sideways and three patriots in addition to one of the cabal's own was sacrificed to cover up the criminality.

Incidents like this remind us why we elected Trump.

We ask everyone to link, repost and/or spread this article far and wide, we need to get this to the masses. And now, the REAL story:

Why Benghazi Went Bad

Ambassador Stevens was sent to Benghazi to secretly retrieve US made Stinger Missiles that the State Dept had supplied to Ansar al Sharia in Libya WITHOUT Congressional oversight or permission.

Sec State Hillary Clinton had brokered the Libya deal through Ambassador Stevens and a Private Arms Dealer named Marc Turi, but some of the shoulder fired Stinger Missiles ended up in Afghanistan where they were used against our own military.

On July 25th, 2012, a US Chinook helicopter was downed by one of them. Not destroyed only because the idiot Taliban didn't arm the missile. The helicopter didn't explode, but it had to land and an ordnance team recovered the missile's serial number which led back to a cache of Stinger Missiles kept in Qatar by the CIA.

Obama and Hillary were in full panic mode, so Ambassador Stevens was sent to Benghazi to retrieve the rest of the Stinger Missiles. This was a "do-or-die" mission, which explains the Stand Down Orders given to multiple rescue teams during the siege of the US Embassy.

It was the State Dept, NOT the CIA, that supplied the Stinger Missiles to our sworn enemies because Gen. Petraeus at CIA would not approve supplying the deadly missiles due to their potential use against commercial aircraft. So then, Obama threw Gen. Petraeus under the bus when he refused to testify in support of Obama's phony claim of a "spontaneous uprising caused by a YouTube video that insulted Muslims."

Obama and Hillary committed TREASON!

THIS is what the investigation is all about, WHY she had a Private Server, (in order to delete the digital evidence), and WHY Obama, two weeks after the attack, told the UN that the attack was the result of the YouTube video, even though everyone KNEW it was not.

Furthermore, the Taliban knew that the administration had aided and abetted the enemy WITHOUT Congressional oversight or permission, so they began pressuring (blackmailing) the Obama Administration to release five Taliban generals being held at Guantanamo.

Bowe Bergdahl was just a useful pawn used to cover the release of the Taliban generals. Everyone knew Bergdahl was a traitor but Obama used Bergdahl's exchange for the five Taliban generals to cover that Obama was being coerced by the Taliban about the unauthorized Stinger Missile deal.

So we have a traitor as POTUS that is not only corrupt, but compromised, as well and a Sec of State that is a serial liar, who perjured herself multiple times at the Congressional Hearings on Benghazi. Perhaps this is why no military aircraft were called upon for help in Benghazi: because the administration knew that our enemies had Stinger Missiles that, if used to down those planes, would likely be traced back to the CIA cache in Qatar and then to the State Dept's illegitimate arms deal in Libya.

› THE MATRIX

“The Matrix is a system, Neo. That system is our enemy. But when you’re inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inured, so hopelessly dependent on the system, that they will fight to protect it...”
